ACADEMIC ADVISING

University College has one of the most unique academic advising systems in the country. UC uses a Master Academic Plan (MAP) approach, led by experienced advisors who are also certified life coaches. When students encounter roadblocks to their success, a personalized "game plan" is implemented to address the issues that are slowing down the student's progress.

MEET WITH AN ADVISOR

Schedule an advising appointment by calling 315.443.3261, emailing ucinfo@uc.syr.edu or contacting Student Administrative Services. Advising appointments are available in-person, by phone, or online.

ROLE OF YOUR ADVISOR

University College Academic Advisors provide individual advice and assistance to students throughout your entire degree program. Your advisor will help every step of the way.
