ADVISING & SUPPORT

Information in this section will help you understand advising and registration processes, career development, and student support as it relates to academic integrity, probation, and preparing for graduation. You may also find information on our Frequently Asked Questions page.

The SU:VPA Undergraduate Student Handbook is an invaluable resource during your time here. The SU:VPA New Student Information Booklet is a wonderful resource for newer students. Additional information can be found in Syracuse University's undergraduate course catalog. You may also wish to consult SU's academic calendar.
