Advising Resources

The student first approach of the Whitman Undergraduate office focuses on a high level of service and collaboration – collaboration with you as students, but also with other offices and resources across campus to ensure you stay on an academic path for continued success.

About Us

Available throughout your undergraduate career, the Undergraduate Office is your home for advising and record-keeping to stay on track for your degree requirements.

Understanding your programs and majors

All the tools and information you need to understand the requirements of your major.

Academic forms

Find any forms and processes you need to follow as it relates to the undergraduate curriculum.

Community Service & Internship

You are required to apply your management skills and knowledge as a community volunteer. Learn how.

Graduation

Find information on graduation requirements and procedures.

Incoming Students

Make sure you have all the paperwork and requirements for a seamless transition into Whitman.

Summer Classes

Find information and registration on Summer @ SU.
