Experts@Syracuse is a powerful tool that enables new insights into the scholarly expertise and collaborative opportunities that exist within Syracuse University and at other universities. It is designed to help faculty members, departments, and potential collaborators identify who is working in what research or scholarly areas at Syracuse University.

Based on tailored research profiles that are automatically created, the system requires minimal effort to maintain. Profiles include publications tracked by Scopus (an enormous interdisciplinary database), grants from the Office of Sponsored Programs database and University departmental affiliations. View a **full list of departments by school and college**.

Experts@Syracuse is a collaborative initiative co-sponsored by the Office of Research and the Syracuse University Libraries.
