The Studio Arts BS and BFA listings have been merged; the school does not distinguish between the students in each program. Studio Arts BA is designed for the student pursuing an intensive studio art experience and develop a complementary field/s of academic study. With 50% of coursework taking place in the Studio Arts major and the remaining credits used to develop an area of inquiry from general education that are directly supportive of studio specializations in art; BS in Studio Art emphasizes and takes advantage of the fact that the School of Art is an art school within a university context
